FINANCIAL POLICIES

Invoices & Payment Expectations

Invoices will be emailed a few days before the payment is due with your balance owing. Payments can be made via e-transfer to payments@kidhub.ca.

All invoice payments are expected to be paid by the due date unless an alternate payment plan has been arranged in advance. Failure to pay by the due date or to pay in accordance with an alternate, pre-arranged payment plan will result in the suspension or termination of child care services until all payments are made in full. We thank you for your cooperation in ensuring payments are made on time.

Invoice Splitting

KidHub's invoicing system allows us to split invoices across multiple paying parties. Should you require invoice splitting please contact us (contact@kidhub.ca) and let us know how you would like the invoices to be split (50/50, 60/40, etc). Please note that in care is dependent on all parties having accounts in good standing. KidHub reserves the right to suspend child care due to account delinquency even when only one party is delinquent.

Non-Refundable Registration Deposits

In order to reserve a space for your child in one of our programs you will be required to pay a non-refundable registration deposit *for each program you would like your child to attend*. All deposits will be held and credited towards the last invoice of the program for which the deposit was paid. If proper notice isn't given for the termination of child care or child care is terminated by KidHub for any reason, the deposit will not be returned. If sufficient notice of withdrawal is given and your account is in good standing, the deposit will be returned and credited towards your last invoice of the program.

Notice of Discontinuation of Child Care

We require all clients to give us a minimum of three week's notice for discontinuation of child care at each of our programs. This allows us adequate time to try to fill your child's space with someone from our waiting list. If we don't receive proper notice then you will be liable to pay for the cost of care for you child for the weeks that notice was not given and your registration deposit will not be credited back to you. We appreciate your help and cooperation in this matter.

Late Pickup

Pickup time is no later than the program closing time (6:00pm during the school year and 5:30pm during the summer) unless otherwise notified by KidHub management. Arrangements can be made with the KidHub management team in advance for extenuating circumstances. If no such arrangements have been made, KidHub will enforce a late pickup fee of **\$1/child/minute late**. We greatly appreciate your understanding and cooperation in this matter.

Discounted Vacation Time

We offer two weeks worth of vacation that can be used at any time as long you've been a client with KidHub for at least three months and your account is in good standing. If you are going on vacation or don't require childcare for a minimum of three consecutively-scheduled days, you may request a vacation discount up to a *maximum of 10 scheduled after-school days*, discounted at \$15.00 per scheduled after-school day. Vacation days may be used for any day that your child is scheduled to attend the after school program when KidHub is open & operating. Vacation days may *not* be used on days when your child is not scheduled to attend, or when KidHub is either not open or not operating its regular after-school programs (i.e. Christmas break, Mark break, summer, holidays, PD days, storm days, etc). Vacation discounts must be requested at least 1 week in advance of your vacation start time.
