Invoices & Payment Expectations

Invoices will be emailed a few days before the payment is due with your balance owing. Our preferred method of payment is via e-transfer to payments@kidhub.ca.

All invoice payments are expected to be paid on or before the due date unless an alternate payment plan has been arranged in advance. Failure to pay by the due date or to pay in accordance with an alternate, pre-arranged payment plan will result in the suspension or termination of child care services until all payments are made in full. We thank you for your cooperation in ensuring payments are made on time each month.

Invoice Splitting

KidHub's invoicing system allows for splitting invoices across multiple paying parties. Should you require invoice splitting please contact us (contact@kidhub.ca) and let us know how you would like the invoices to be split.

Non-Refundable Registration Deposits

In order to reserve a space for your child in one of our programs you will be required to pay a registration deposit. Prior to the beginning of a program, deposits are non-refundable. Once a program has begun, if proper notice isn't given for the termination of child care or child care is terminated due to account delinquency, the deposit will not be returned. If sufficient notice is given for termination and all payments are made on time the deposit will be returned and credited towards your last invoice of the program.

Notice of Termination of Child Care

We require all clients to give us a minimum of three week's notice when removing enrolled child(ren) from our care. This allows us adequate time to try to fill your child's space with someone from our waiting list. If we don't receive proper notice then you will be liable to pay for the cost of care for you child(ren) for the weeks that notice was not given. We appreciate your help and cooperation in this matter.

Vacation Time

We offer two weeks worth of vacation that can be used at any time as long you've been a client with KidHub for at least three months. If you are going on vacation, or don't require childcare, for a minimum of three consecutively-scheduled days we will discount you up to a maximum of 10 scheduled days, discounted at \$15.00 per scheduled after-school day. Vacation days may be used for any day that KidHub is open and operating its regular after-school programs. Vacation days may not be used on days where KidHub is not open or not operating its regular after-school programs (i.e. Christmas break, Mark Break Camp, Summer Camp, holidays, PD days, storm days, etc.). If you have already used up that time and your child will still be absent then you will be required to pay the remainder. Please notify us at least 1 week in advance of your vacation start time so we may make any necessary changes.
